Title: Messages for Elindor

Author: Lexia Hakkendyn

Elindor,

We found the map and
then went with Jared
after we made the
agreement that the
Elders of Aryslan
would be allowed to
recover what we were
looking for. Upon
completion of the
chest Jared found the
Hidden latch leading to
the compartment
containing the staff.
As he opened it a
tempest elemental
appeared.. among other
snow elementals and
such..anyhow, we
eventually defeated
the elementals but it
was iobvious to
anyones eye that this
was no ordinary
staff..Jared equiped
the staff and we all
pleaded with him not
to go back on his
bargain...he agreed to
return to Aryslan and
give it to you
himself...Upon return
to Aryslan undead
began attacking...Jared
took off and
eventually escaped the
army of us that went
after him...Our statue

ids destroyed and our
ᶜᵉowers are diseased.
Hopefully we will
find Jared again...
